Cognitive Behavior Institute is approved by the American Psychological Association to sponsor continuing education for psychologists. Cognitive Behavior Institute maintains responsibility for content of this program. Social workers, marriage and family therapists, and professional counselors in Pennsylvania can receive continuing education from providers approved by the American Psychological Association. Since CBI is approved by the American Psychological Association to sponsor continuing education, licensed social workers, licensed marriage and family therapists, and licensed professional counselors in Pennsylvania will be able to fulfill their continuing education requirements by attending CBI continuing education programs.

Cognitive Behavior Institute, #1771, is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved as ACE providers. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. Cognitive Behavior Institute maintains responsibility for this course. ACE provider approval period: 06/30/2021 – 06/30/2022. Social workers completing this course receive 27 clinical continuing education credits.

Cognitive Behavior Institute, LLC is recognized by the New York State Education Department's State Board for Social Work as an approved provider of continuing education for licensed social workers #SW-0646 and the State Board for Mental Health Practitioners as an approved provider of continuing education for licensed mental health counselors #MHC-0216.

Cognitive Behavior Institute is recognized by the New York State Education Department's State Board for Psychology as an approved provider of continuing education for licensed psychologists #PSY-0098.
